Our Centre

Caters for children from 6 months to 5 years in nursery, toddler and preschool rooms

Opens from 7:45am to 6pm Monday to Friday and operates 50 weeks per year.

Located at 29 Fullers Road, on the corner of Anglo St, in the residential environs of Chatswood West and just a short walk to Chatswood station and business district.

Established in a preserved pre Federation residence where great care has been taken to create homely, varied and educational activity areas indoors.

Outside there are spacious new play areas set amongst mature gum trees and gardens and which are designed to encourage adventurous play and interaction with our natural environment.

We provide access to Story Park where each child's learning portfolio is shared by teachers and family members in a secure web based environment

Four incursions per year are included in our fees

Our Philosophies

The first five years of a child's life are their most formative, and will set the mould for the adult they will become.

The care and attention young children receive and the environment which surrounds them should maximise their development and challenge their abilities.

Our staff provide caring and guidance that will enable your children to become secure in their environment and help them grow emotionally, intellectually and physically.

Our education programmes meet the insatiable desire for knowledge and stimulation that young children have.

We cater to every child as an individual and respect each child's cultural and family background

Our philosophies and policies are designed for all who use the Centre - children, parents and our team.

Parents are welcomed and encouraged to visit the Centre and participate in activities or discuss their child's needs and progress at any time.
